

THE REFUEL CAFÉ – FEED YOUR IMAGINATION

PIZZA PARLOUR

OK, we can't give you Rome but we can take your senses there. Treat your taste buds to delicious Italian cooking, while learning about best practice in the kitchen. Work alongside our chefs to create mouth-watering pizza and pasta that nonna would be proud of!

Age: Early Years-S2
Time: 45mins

CMS: Horizons - Self
Cost: £5 per learner

MILKSHAKE MIXOLOGY

Who doesn't love a milkshake? Learn about measurement and mixing as we dig out the recipe book and concoct delicious flavours to treat your taste buds. Prize for the best milk moustache!

Age: Early Years-P4
Time: 30 mins

CfE: Food and Textiles Contexts for Developing Technological Skills and Knowledge | Nutrition | Safe and Hygienic Practices

CMS: Horizons
Cost: £4 per learner

CUPCAKE & DECORATE

Budding young chefs can get their hands messy and unleash their creativity as they roll and cut out shapes from sugar fondant. With bowls of colourful frostings and a host of edible toppings, children can sculpt and create the perfect cupcake!

Age: Early Years-P4
Time: 45 mins

CMS: Horizons - Strengths
Cost: £4 per learner

EDUCATIONAL ADVENTURES!

KIDS' ACTIVITY CLUBS

We know how to keep the kids entertained at The Experience, and with our action-packed programmes the fun is guaranteed. Whether it's a school holiday club or one of our weekly meet-ups, we're banishing boredom with our hands-on activity programmes. Our school holiday clubs run Mon-Fri, over Easter and during the summer and October breaks. We also offer an early drop-off and late pick-up service. Activity clubs run every Saturday morning and on a Tuesday evening.

Clubs cater for children aged 6-14 and activities could include laser tag battles, learning about electric circuits, junk modelling, screen printing and a range of exciting engineering and art challenges.

**TO FIND OUT MORE OR BOOK EMAIL: ENQUIRIES@THEEXPERIENCE.ORG.UK
CALL 0141 883 4005, OR SEARCH ONLINE FOR THE 'THE EXPERIENCE'.**

STEAM+ is an action-packed programme that inspires and educates young learners through science, technology, engineering, arts, mathematics and more.

Aligned with Curriculum for Excellence and National Qualifications, the programme draws on real-life learning experiences as explorers embark on a learning journey.

@ THE EXPERIENCE

THE ARENA – GO FULL STEAM+ AHEAD

GRAND PRIX MANIA

Calling all adrenaline-seekers... we're bringing 'speed-distance-time' to life. Put on your race suit, helmet and balaclava, and take to the driver's seat for 2 x 8 minute timed sessions with electronically timed lap printouts. The Grand Prix is tailored for both individuals and groups, and includes a comprehensive safety briefing.

Age: P7+
Time: 1.5hrs per group of 24

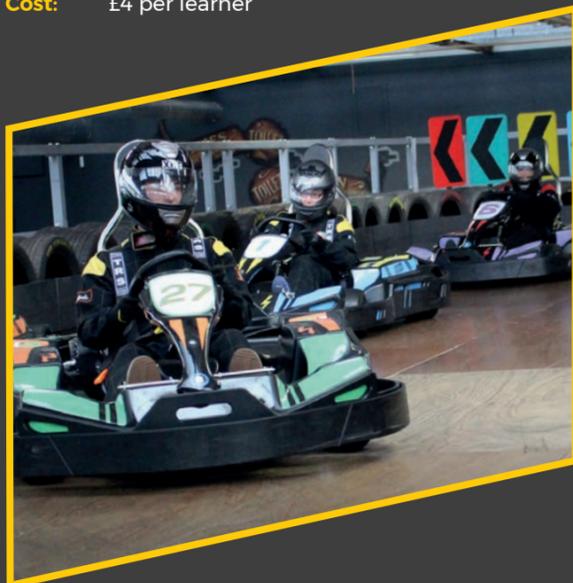

CfE: Forces | Physical Wellbeing
National: Dynamics and Space
Higher: Our Dynamic Universe
Cost: £15 per learner

PITSTOP AND PISTONS

Chassis in tip-top condition... check, correct brake fluid level... check! Let our Karting Technicians teach you all there is to know about go-karts. Step-by-step you'll go through the safety checks where you'll learn how to change wheels, test the braking system and check the steering.

Age: P4-S4
Time: 45 mins

Cost: £4 per learner

ACCESS ALL AREAS

Additional Support Needs Karting
Experience the thrill of electric go-karting as the crew race you round the track, going as fast as you dare! Or take to the controls with one-to-one driving instruction. Our fleet of adapted karts is suitable for individuals with additional support needs. Sessions are fully tailored to the needs of all drivers, providing the ultimate race experience.

Age: P4+
Time: Timings are dependent upon individual needs and number of drivers.

CfE: Forces | Physical Wellbeing
National: Dynamics and Space
Higher: Our Dynamic Universe
Cost: £10 per learner

KARTING CADETS

Ideal for younger children, Karting Cadets gives an introduction to this exciting motorsport and is good for building confidence on the go-karts.

Age: P4-P6
Time: 1hr per group of 12

CfE: Forces | Physical Wellbeing
Cost: £15 per learner

STEAM+ HQ – THE LEARNING HUB

SCRIBBLING MACHINES

We're going to get technical and build a miniature robot! Take to the learning lab to construct and build a motorised scribbling machine while learning how motors are at the core of almost every moving object. What's more, we'll produce a dynamic personal piece of art to hang up in your school, or why not enquire about The Experience's exhibition space?

Age: P4-S2
Time: 45mins

CfE: Electricity | Craft, Design, Engineering and Graphics | Art and Design
Cost: £5 per learner

DIY T-SHIRT PRINTING

Unleash your inner fashionista as we work with a state-of-the-art vinyl printer to design and create custom-made t-shirts, whilst learning about the print and design process. For the month of December, we get into the festive spirit with DIY Christmas jumpers.

Age: P4-S4
Time: 45 mins

CfE: Art and Design | Craft, Design, Engineering and Graphics
CMS: Horizons - Self
Cost: £5 per learner

LASER ADVENTURE – BEAT THE BLASTERS

LASER TAG

Beam yourself into a post-apocalyptic future with our Laser Tag experience and see if you've got what it takes to save the planet! Set in a world where science and technology have turned on the human race, you'll have to be laser sharp to find your way through the maze and be faster than the blasters.

Age: P1+
Time: 30mins

CfE: Co-operation and Competition | Planning for Choices and Change
Cost: £4 per learner
